## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Beauty of Sight Foundation, Inc.  
Miami, Florida

We have audited the accompanying financial statements of Beauty of Sight Foundation, Inc. (the "Organization") (a nonprofit organization) which comprise the statement of financial position as of June 30, 2020, and the related statement of activities and changes in net assets, functional expenses, and cash flows for the year ended June 30, 2020, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2020, and the changes in its net assets and its cash flows for the year ended June 30, 2020, in accordance with accounting principles generally accepted in the United States of America.

**BEAUTY OF SIGHT FOUNDATION, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2020**

---

**NOTE 1 – ORGANIZATION**

Beauty of Sight Foundation, Inc. (the “Organization”) was incorporated in the State of Florida in 2016, as a not-for-profit corporation. The Organization is committed to promoting global awareness and providing support for vision related research, services, and education.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICES**

**Basis of Accounting**

The financial statements have been prepared using the accrual basis of accounting principles generally accepted in the United States of America (“GAAP”). Under the accrual basis of accounting, revenues are recorded as earned and expenses are recorded at the time liabilities are incurred.

**Accounting Pronouncements**

During the year ended June 30, 2020, the Organization adopted Accounting Standards Update (ASU) No. 2018-08 *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958)*. The update provides guidance in evaluating whether transactions should be accounted for as contributions or as exchange transactions and determining whether contributions are conditional or not. The adoption of this update did not have a material effect on the Organization’s financial statements.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which affects the revenue recognition of entities that enter into either (1) certain contracts to transfer goods or services to customers or (2) certain contracts for the transfer of nonfinancial assets. The update indicates an entity should recognize revenue in an amount that reflects the consideration the entity expects to be entitled to in exchange for the goods or services transferred by the entity. The update is to be applied to the beginning of the year of implementation or retrospectively and is effective for annual periods beginning after December 15, 2018, however, due to the circumstances surrounding COVID-19, the FASB issued relief in the form of deferral of the required adoption date for nonprofit entities to annual periods beginning after December 31, 2019. The Organization is currently evaluating the effect the update will have on its financial statements.

**Financial Statement Presentation**

The Organization prepares its financial statements in accordance with the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC). The Organization is required to report information regarding its financial position and activities according to two classes of net assets. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions

The portion of the net assets of the Organization that can be used subject to the broad limits resulting from the nature of the Organization, the environment in which it operates, and the purposes specified in its articles of incorporation or bylaws. In some cases, the use of these resources is also subject to limits resulting from contractual agreements with suppliers, creditors, and others entered into by the Organization in the normal course of business. The Organization has the greatest ability to choose when using these resources. Net assets without donor restrictions generally result from contributions that are not subject to donor-imposed restrictions.

**BEAUTY OF SIGHT FOUNDATION, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2020**

---

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (Continued)

**Financial Statement Presentation (Continued)**

Net Assets With Donor Restrictions

The portions of net assets of the Organization that is subject to either donor-imposed time restrictions or donor-imposed purpose restrictions. These restrictions limit the Organization's choices when using these resources because the Organization has a fiduciary responsibility to its donors to follow the donor's instructions. Net assets with donor restrictions generally result from donor-restricted contributions. As of June 30, 2020, there were no net assets with donor restrictions.

**Cash and Cash Equivalents**

For the purposes of the statement of cash flows, the Organization considers highly liquid investments with an initial maturity of three months or less to be cash equivalents.

**Fair Value of Financial Instruments**

The carrying amounts of cash and cash equivalents and accounts payable approximate fair value due to the short maturity of these financial instruments.

**Contributions**

Contributions including unconditional promises to give are to be recognized as revenue in the period received. Contributions of assets other than cash are recorded at their estimated fair value.

Contributions are reported as with donor restrictions or without donor restrictions depending on the existence or nature of any donor restrictions. The Organization considers all contributions without donor restrictions, unless specifically restricted by donors. Donor restricted contributions whose restrictions are met in the same reporting period are reported initially as with donor restriction and later reclassified to net assets without donor restriction once the restrictions expire.

**Research Grants**

The Organization provides research grants to other organizations and foundations as part of its mission to promote global awareness and provide support for vision related research, services, and education. During 2020, a grant of \$325,000 was provided to another organization and is included in these financial statements in research grant expense.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Income Tax Status**

The Organization is exempt from income tax under Section 501(c) (3) of the Internal Revenue Code and therefore, has made no provision for federal income taxes in the accompanying financial statements. In addition, the Organization qualifies for the charitable contribution deduction under Section 170 (b) (1) (A) and has been classified as an organization other than a private foundation under Section 509 (a) (2).

**BEAUTY OF SIGHT FOUNDATION, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2020**

---

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (Continued)

**Income Tax Status (Continued)**

The Organization has adopted the provisions of FASB ASC 740-10-25, which requires that a tax position be recognized or derecognized based on a “more likely than not” threshold. This applies to positions taken or expected to be taken in a tax return. The Organization does not believe its financial statements include any uncertain tax positions. The Organization is not subject to U.S. federal, state and local income tax examinations by tax authorities for years before 2017.

**Subsequent Events**

The Organization has evaluated subsequent events through February 26, 2021, which is the date the financial statements were available to be issued. Refer to Note 6.

NOTE 3 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents are exposed to interest rate, market, and credit risks. The Organization maintains its cash and cash equivalents with a large quality financial institution and, at times, may exceed federally insured limits. The bank account balances are insured up to \$250,000 per depositor accounts by the Federal Deposit Insurance Corporation (the “FDIC”), an independent agency of the United States government.

NOTE 4 – GRANTS-RELATED PARTY

Florida Lions Eye Bank, Inc. is a non-profit organization and related party of the Organization. During the 2019-2020 fiscal year, Florida Lions Eye Bank, Inc. contributed \$325,000 to the Organization. At June 30, 2020 the Organization had no payables or receivables due to or due from Florida Lions Eye Bank, Inc.

NOTE 5 – LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES

The Organization monitors its liquidity so that it is able to meet its operating needs while maximizing the investment of its excess operating cash. The Organization has the \$147,347 that could be made readily available within one year of the statement of financial position date to fund operating expenses without limitation, such as donor imposed or contractual restrictions or internal designations, as of June 30, 2020.

NOTE 6 – COVID 19/SUBSEQUENT EVENTS

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a “Public Health Emergency of International Concern”, which continues to spread throughout the world and has adversely impacted public health and overall commerce. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Organization, the population that it serves and its financial results.
